Subject: WE ARE SATISFIED

I recently called to tell you how satisfied I am with Texas Bar Flash. You asked if we could write a letter. Here it is.

I am COMPLETELY SATISFIED with what I received from TexasBarFlash. It was the perfect product to help me during the stressful last two weeks. I carried it with me everywhere: in the car, at the coffee shop, during study breaks [when I knew I should be studying], I pulled it out and glanced at the information. The bullet points were exactly what I needed to remember.

Recommend TBF highly!

Thank you.
